"The writer is prepared to assert that the world is growing better. For since every sin in the category has been committed time and again, and as men continue to multiply on the earth, the sins are getting worn out as they go the rounds."

"Oh he'd lose anything," old Mr. Meredith, of West hill, growled, when the boy came back from an errand and said he'd lost the package entrusted to him; he'd lose anything. One day last week I sent him to take a pickle barrel to a customer, and before he got the barrel to the house, I hope to die if he didn't lose the bung-hole clear out of it, and I had to send for a cooper to put in a new one."—Burdette.

THE CURRENCY QUESTION.

Notwithstanding the fact that thousands of our people are at present worrying themselves almost to death over this vexed question, even to the extent of neglecting their business, there are still thousands upon thousands of smart hard working, intelligent men pouring into the great Arkansas Valley, the Garden of the West, where the Atchison, Topeka & Santa Fe Railroad offers them their choice of 2,500,000 acres of the finest farming lands in the world at almost their own prices.
